LB 44

PRESIDENT: Next one.

CLERK: Mr. President, Senator Marsh moves to reconsider our vote on the override of LB 44.

SENATOR MARSH: Are we still under Call, Mr. President?

PRESIDENT: Yes.

SENATOR MARSH: I move the vote be taken.

PRESIDENT: All right. We are under Call. Senator Simon.

SENATOR SIMON: Senator Marsh cannot make that motion. It has to be somebody on the prevailing side, does it not?

CLERK: She did not vote.

SENATOR SIMON: Oh, excuse me. I'm sorry.

PRESIDENT: That's all right. Record your vote. The question is, shall the Legislature reconsider its action when it failed to override the veto of LB 44. Have you voted? We are under Call. Have you all voted? Record. Senator Bereuter.

SENATOR BEREUTER: Mr. President, I ask for a roll call vote.

PRESIDENT: Call the roll.

CLERK: The motion is to reconsider our vote on the override of LB 44. (Read roll call vote found on page 2171 of the Journal.) 34 ayes, 12 nays on the motion to reconsider, Mr. President.

PRESIDENT: All right. The motion carries by the constitutional majority required. Who is to make the motion then to override? Well, then anybody can make it. Senator Marsh, do you make the motion then to override? All right. The question then is shall LB 44 become law notwithstanding the Governor's objection. Record your vote. Have you voted? Record.

CLERK: 32 ayes, 8 nays, Mr. President.

PRESIDENT: The motion prevails. LB 44 does become law. Senator Simon moves that the Call be raised. Is there an objection? Seeing none, it's so ordered. Senator Frank Lewis, for what purpose do you arise?

SENATOR F. LEWIS: I want to make a motion. I move that we go directly to Final Reading and read those bills on Final Reading that were delayed this morning out of courtesy in terms of appropriations and some of those have to get to the Governor before today so he can veto them and get them back. So I move we go directly to Final Reading and read those bills.

PRESIDENT: Senator Frank Lewis moves to amend the Speaker's order.

SPEAKER LUEDTKE: These two reconsiderations we've already taken care of. Are there any more reconsiderations? How many? What is it on? It's on one of the line-item....
